

Earl Nesbitt

Mr. Nesbitt has extensive litigation experience representing clients in significant matters including plant explosions, oil field accidents, construction claims involving serious injuries including wrongful death. His practice has included an array of diverse civil litigation and legal disputes in State and Federal Courts and administrative and civil service proceedings. Legal matters include complex tort and bad faith claims, general contract/business disputes, employment matters, election contests, voting rights, declaratory judgments, covenants not to compete, and trade secret violations, to name just a few.
